Viewing Reports for Multiple Parishes

Catholic Leadership Institute

After reports are enabled for your parish, if the Priest, Pastor, or Primary Point of Contact is associated with more than one parish, they can view either individual parish results or aggregated report results by following the instructions below.

For Key Leaders, results can only be viewed one parish at a time, using the link that is provided in the email that they receive.

<p>1. Login to the CLI Portal</p>	<p>Login to the CLI Portal using your email address and password: https://portal.catholicleaders.org/home/</p>
<p>2. Select “All Analytics & Reports” for one parish.</p>	
<p>3. When viewing a report, additional parishes can be added by selecting another parish in the drop down box.</p> <p><i>Note: Select the “x” in front of the parish name to remove parish results from the report.</i></p>	
<p>If survey results are available for more than one year, users can select the specific year they want to view in the drop-down box.</p>
